### **I do not have a valid passport or European ID card, how do I sign up for IELTS?**

All candidates must have a valid passport or European ID card to take IELTS. Driving licences, student cards, or *récépissés de renouvellement* cannot be accepted. Please check available IELTS dates when you receive your new passport or ID card.

Your ID will be checked after online registration, before the test, during the Writing test, and before the Speaking test so this must be valid.

If you have a valid European ID card, you can use this to sign up instead. If you do not, you will not be able to sign up until your new passport arrives

### **What do I do if I lose my documents after registration?**

Please contact us at [ielts@britishcouncil.fr](mailto:ielts@britishcouncil.fr) and send a clear, colour copy of your new ID card/passport. We must be informed about ID changes 72h before the first part of your test. If you do not inform us, you will not be able to sit the test.
